Saturdays @ 1:00 PM & 2:00 PM

*This program explores the scientific possibilities for one of the most elusive astronomical riddles in history – the Star of Bethlehem. Was it a meteor, a comet, a special grouping of planets, or a real miracle? This program explores this topic in detail using the scriptures, modern astronomical knowledge, and extensive historical research into Roman and Hebrew historical records (30 minutes).*

*Planetarium schedule may change without notice to accommodate large groups, private functions, or for periodic maintenance projects.*

*Please call 903-875-7596 to verify that shows are running before you visit.*

**ADMISSION IS \$2.00 PER PERSON**

Planetarium will be closed when the college is closed.
